

Smart User Guide

Ask Our Agent

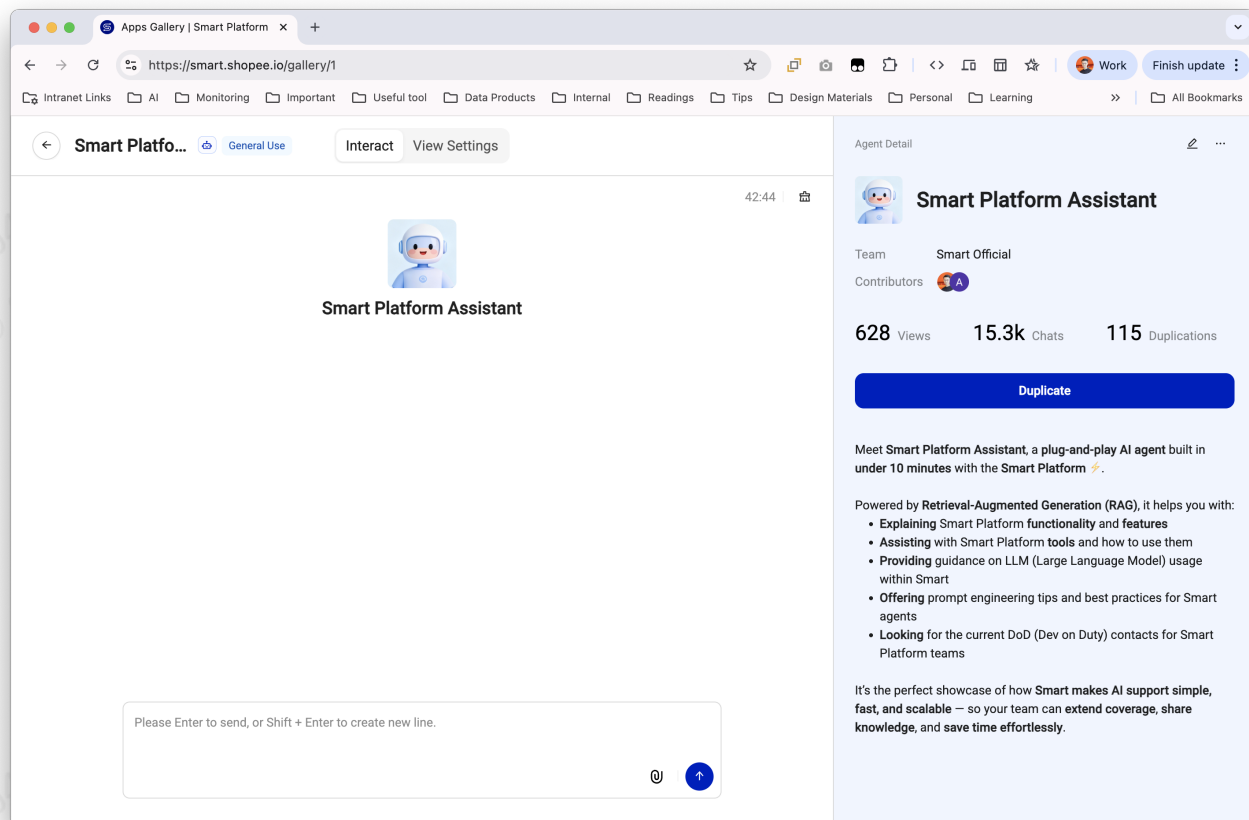

You can interact with our agent via Agent Gallery in Smart or simply reach out to the Smart Platform Assistant agent in SeaTalk for any question about Smart.

The agent is capable of:

- Clarify how to use the Smart platform
- Provide best practices
- Provide general knowledge about LLM, AI Agent and prompt
- Suggest tool use and knowledge base for some common scenario
- Available 24/7 across public holiday
- Answer in any language

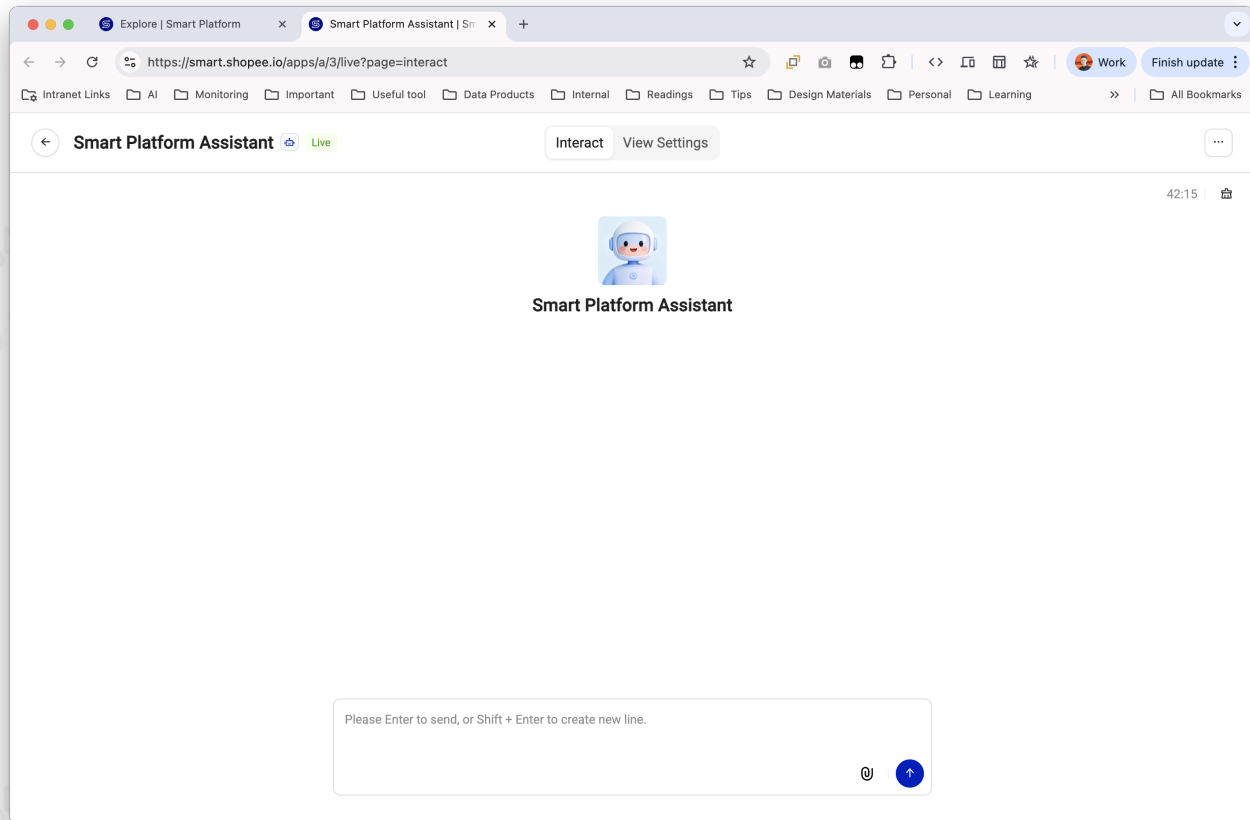

Smart assistant agent in Agent Gallery
